

Registration in Brzycki Group Courses and Programs

The first step to register into a Brzycki Group course is to contact Henry and Elaine, (814) 234-2545, Mid-Atlantic or (781) 864-6450, New England and be prepared to schedule an initial consultation with us. Call, email or mail us the contact information form below.

After the initial consultation with Henry or Elaine, an invitation will be extended to you, or to you and your child, to enroll in the appropriate course and format. You will be provided information on course tuition, detailed instructions for enrollment, and a registration form to fill out and return. A non-refundable deposit will be required to reserve your place in our schedules.

Upon receipt of your full tuition, you and your child will be given a Confidential Information Form to complete and send back within one week. This form details the results you both would like to produce out of your participation—your child’s first opportunity to make positive changes to design his or her own destiny. We will also mutually determine a course schedule that works best.

In the case of *The Champions Program*, it is strongly recommended that at least one of your child’s parents or guardians enroll. Parents participate so that they can learn the principles of empowerment and become self-sufficient in their application. Remember, you will be learning how to parent a Champion in Life!

Brzycki Group programs are based upon the premise that children and families have the possibility not only of fulfillment and success, but also of greatness. It is to that possibility that our programs committed.

Contact Information Form

To Henry and Elaine: Please contact us so that we can schedule an initial consultation.
